Another beautiful week at Laguna Beach where four Ohioans were hiding from snow! In addition to the gorgeous weather, they managed to have some excellent under water sightings including a large orange seahorse, a spotted eagle ray, and a male quill fin blenny.

We also had some of the best food ever served at the resort prepared by our new chef Andy--thanks Andy! Can't wait to see what else he comes up with this week.

Thanks again to Duane, Annie, Gerry and Jeanette for a wonderful week at Laguna!
